11. *Describe anything about the property that could be construed as historically significant.* _____

12. *What else would you like to tell us about your land?* _____

PART C – LANDOWNER WISHES

A conservation plan can be written to restrict certain activities and permit others, and different use and management zones can be delineated that reflect the property’s natural features and conservation values. Please tell us what your wishes are in this regard.

1. Do you have any plans to subdivide the property and how do you feel about a future owner subdividing it?

2. Do you plan to build on the property and how do you feel about a future owner building there? _____

3. If you are amenable to future building, would you like to restrict its location? _____

4. Would you like to restrict the size and design of future buildings, if any? _____

5. How would you like the wooded areas of the property to be managed? _____

6. What are your preferences regarding management of fields and meadows? _____

7. What are your wishes regarding recreational use including motorized recreation? _____

8. Anything else? _____

Please return questionnaire to: St. Lawrence Land Trust, 1 Maine Street, Suite 102, Canton, NY 13617
