

**As a landowner and friend of the
Grasse River Watershed,
I pledge to take responsibility for the stewardship
of the natural resources under my care by:**

**Friends
OF THE
Watershed**
A PROJECT OF THE
St. Lawrence
Land Trust

- *Avoiding the introduction of contaminants to air, soil, and water,*
- *Protecting the scenic beauty of the river corridor by keeping it a predominantly natural landscape,*
- *Conserving habitat resources by respecting the biological diversity of my property,*
- *Complying with laws and regulations designed to protect our environment, and*
- *Setting an example of responsible stewardship practices for other landowners in the watershed.*
